

# Summer COMPETITION DANCE

Please remember: We are doing our best to create an incredible summer schedule for our dancers with much less time than we normally have. We are also functioning under very restrictive conditions that are constantly subject to change. We are sharing these dates to help you plan your schedule, however, they are all still subject to change as needed.

## **PRIVATE LESSONS**

**When:** Based on teacher availability, please check Sign Up Genius.

**Cost:** \$20-\$30/30 minutes depending on the teacher.

**Sign Up:** Please look for lessons posted on Sign Up Genius within the studio app.

We will be offering private lessons throughout the entire summer. Many of our teachers will be offering lessons, most will be available on Sign Up Genius. Some teacher may set "regular" lesson times as their schedules allow. For the time being, we will NOT be using our Private Lesson Punch Card system, but rather will be charging lessons to accounts individually as they take place.

## **PROGRESSIVE BALLET TECHNIQUE (PBT)**

**When:** M-TH daytime classes. Please see specific dates on summer calendar.

AGES 6-8 (10-10:45am)

AGES 9-11 (12:00-12:45pm)

AGES 12+ (2:00-2:45pm)

**Cost:** \$48/per dancer per week

**Sign Up:** For the first session, we will utilize Sign Up Genius. After that we will likely migrate to our normal class registration on your dance account. **You must pre-register for this class.**

PBT is a unique training method that focuses on muscle memory. This class has been VERY popular in the past, so we are thrilled to offer it again. Dancers will need to commit to 1 week at a time, but may take as many weeks over the summer as they want.

**Please Bring:** Dancers will need the following and should bring them with: stability ball appropriate to height, yoga mat, 9" fusion ball, and racquetball.

Dancers must provide their own supplies at this time. Classes are limited to 8 dancers, so you must sign up in advance. A waitlist will also be available on Sign Up Genius.

## **TINY TECH INTENSIVE & THE TDC INTENSIVE**

**When:** M-TH afternoon/evening classes. Please see specific dates on summer calendar.

**Cost:** Due to the nature of the way in which we need to arrange our schedule for COVID-19 precautions, we are unable to take drop-ins or mix different groups of dancers every day. For this reason, we are unable to price classes "per class." Both of these intensives will be priced by the week. This pricing is not yet available, but will be very comparable to the "per class" pricing that we have used for past summers.

**Sign Up:** You will need to pre-register for these classes via your dance account within our normal class registration on your dance account. We are still determining the best way to break classes down while staying within the current COVID-19 restrictions. Please look for more info soon. **You must pre-register for this class.**

This is a series of combo & technique classes with mixed styles. Classes are broken down by grades for fall 2020.

## **AUDITION INTENSIVE**

**When:** July 13-16th afternoon/evening classes & July 20-25th afternoon/evening classes, times TBD.

**Cost:** \$150 for 1st grade and below, \$275 for 2nd grade & above. Grade distributions may change.

**Sign Up:** You will need to pre-register for these classes via your normal class registration on your dance account. We are still determining the best way to break classes down while staying within the current COVID-19 restrictions. Please look for more info soon. As restrictions evolve, we will be making some decisions on how our Audition Intensive will be broken down, and thus how the schedule will work. **You must pre-register for this class.**

Our Audition Intensive is required for all dancers ages 4 and up who hope to be a part of our Competition Program for our 2020-2021 season. Pre-Competition dancers do not need to participate in this intensive.

**\*\* We are not sure if we will do a traditional Ballet Intensive this year. We are currently evaluating options.**

## AUGUST COMPETITION CLASSES

We will be holding abbreviated classes for our Competition Teams in August. These will include solo/duet/trio choreography lessons that are very flexible and set up individually, as well as classes for teams. We will not know what this schedule will look like until we are closer to these dates and have a better idea of what our restrictions will be at this time.

We are sharing these dates to help you plan your schedule, however, they are all still subject to change as needed.

## REGISTRATION INFO & PROCESS

**Please remember, you must "checkout" completely in order for your registration to be complete.**

Today we are launching registration for the following classes: Individual PBT Sessions, TDC Intensive, Tiny Tech Intensive, & Audition Intensive

All of these classes will be carefully arranged into groups that will meet the maximum number that we are allowed to have in a dance room for the time being. We have included very specific registration instructions below. Please make sure to read them as these are VERY DIFFERENT than any registration process we have done before. This is necessary to organize ourselves in a way that meets current restrictions. We WILL make changes as we go and restrictions change. You must sign up for all classes in advance as class sizes are very limited and there are no drop-in options for this summer.

### PRIVATE LESSONS

**What is this?** Private or semi-private lessons where dancers will be in groups of 1-3 to work in an intimate environment. We will use Sign Up Genius lists to charge these lessons to your dance account. At this time we are not utilizing our regular Private Lesson Punch Cards.

**How Do I Register?** Please look for extra lessons added on Sign Up Genius. We are trying to create a schedule where these can be consistently added on the same day each week.

**Cost?** \$30/30 minutes for a 1-1 lessons. Semi-private lessons are \$18 or \$15/dancer for a 30 minute lesson for 2 or 3 dancers.

**What Is the Class Size?** These are held for 1-3 dancers. Semi-privates are designated as such when you sign up.

### PBT SESSIONS:

**What is this?** PBT is a unique training method that focuses on muscle memory. This class has been VERY popular in the past, so we are thrilled to offer it again. Dancers will need to commit to 1 week at a time, but may take as many weeks over the summer as they want. Similarly to this first week, we will be offering PBT sessions in the form of individual weeks for the next several weeks. You must register for each week individually. Due to current restrictions, dancers must stay in the same class per week, so dancers cannot makeup classes with other groups. There will be a morning and an afternoon/evening option for each age group.

**How Do I Register?** Please visit your dance account (via the "Pay Bill" button in the app, or "Register Here" button on the website). If you would like your dancer to take multiple weeks, you will need to sign up for each week separately.

**Cost?** Each session is \$48/week per dancer

**What Is the Class Size?** Each individual class will be limited to 8-9 dancers depending on if there is an assistant.

**What Do I Need to Bring?** Dancer need to bring a stability ball appropriate to their height, yoga mat, 9' fusion ball and a racquetball, water bottle. Dancers need to provide their own supplies at this time.

## REGISTRATION INFO & PROCESS (cont.)

### TDC INTENSIVE/TINY TECH INTENSIVE:

**What is this?** This is a series of combo & technique classes with mixed styles. Classes are broken down by grades for fall 2020. This is for dancers PreK-12th Grade. Class will be scheduled into the following blocks. **Please note: there will NOT be a spread of all of these grades in the same classroom, this simply means that dancers in this span of grades will be in our building, at the same time.** Dancers will register for the general grade group for which they fit, and will be divided down into smaller groups based on more specific grades across all 5 dance rooms. We were looking for a model that allowed us to give you the a schedule to plan on, as well as a way for us to organize ourselves to meet the current restrictions, and this seemed like the easiest way. Please see the original calender for specific dates.

Tiny Tech - PreK-3rd Grade M-TH 4:00-5:30pm

4th-7th Grade M-TH 6:00-8:30pm

8th-12th Grade M-TH 1-3:30pm

**How Do I Register?** Please visit your dancer account (via the "Pay Bill" button in the app, or "Register Here" button on the website). You will register for the general grade group that fits your dancer for fall. Please remember, dancers will not be taking class in their general grade group, this simply provides a jumping off point for us when dividing dancers into smaller, appropriate groups. If you intend to take multiple weeks, you will need to register separately for each week. We will close registration for the coming week by Saturday at 9pm. This will allow us time to divide that week's dancers into groups of 8 or 9.

#### **Cost?**

Tiny Tech (Fall 3rd Grade & below) - \$65/week

TDC Intensive (Fall 4th Grade & Up) - \$80/week.

**What Is the Class Size?** Each individual class will be limited to 8-9 dancers depending on if there is an assistant.

**What Do I Need to Bring?** Dance attire specific to schedule (will be released when we get closer), all dance shoes, water bottle.

### AUDITION INTENSIVE:

**What is this?** This Intensive is required for all dancers who intend to be a part of our Competition Program. This will be organized differently this year, as we will be creating the schedule AFTER dancers register and we know what the distribution of grades will be for our Audition Classes. We are asking that if you intend to register for auditions, you do so ASAP. This year only, you will not pay for this intensive until the first day. When you complete the registration process for this intensive, **there will not immediately be anything due.** At this point we just need to know WHO and HOW MANY are registering so we can schedule accordingly. We will not create the schedule for this until registration is closed. We understand there may be some last minute additions if new dancers decide to join TDC later on.

**How Do I Register?** Please visit your dancer account (via the "Pay Bill" button in the app, or "Register Here" button on the website). There is ONE audition class or all ages that will further broken down.

**Cost?** \$150-\$275 depending on the grade of the dancer. **This is not due at the time of registration.** You will need need to pay this until the first day of auditions.

**What Do I Need to Bring?** Dance attire specific to schedule (will be released when we get closer), all dance shoes, water bottle.
